

Dear Prospective Sponsor,

The Volusia Surf Lifesaving Association is proud to announce the inaugural Surf Guardian Aquathlon and 5k! The race will be a unique blend of beach running, ocean swimming, and will culminate with a classic 5k through the World's Most Famous Beach! The race will take place on Saturday, August 20th, 2011. This event is expected to amass generous popularity, and you want you to be our partner!

Why is this race important? Well, we all have felt the pain of governmental budget cuts, and Volusia County Lifeguards are no exception. Proceeds from this event will help to restore important benefits they have lost as a result of expansive cuts in local government.

We lifeguards love the ocean, and we love to stay in shape. We hope to share our world with hundreds of participants, and we want you to be a partner in that hope. We will offer exciting advertisement opportunities over a wide media spectrum, and all donations are tax deductible. Won't you help us help the lifeguards this summer?

Please call (386)-566-3826, or send an email to bryonawhite@yahoo.com .

Sincerely,

Bryon A. White – Event Coordinator
